

## Manor Croft Academy Newsletter

Over the last few weeks we have started to see a few changes at Manor Croft, your son or daughter may have come home and mentioned some construction work. We are very excited about our extensions that have begun! These will provide us with double the space in the canteen which will support our ever-growing school. As the most popular choice for secondary school in the local area we very much need this extra space. There will also be an extra six brand new classrooms that will support further with the learning of our students. As always, our student's safety during this time of growth is our priority and the academy will continue with as little disruption as possible.

### It's been a real sporting week this week!

A massive well done to our year 9 rugby 🏉 girls' team for winning 🏆 the Champion Schools Yorkshire cup final against Archbishop Sentamu from Hull 26-10. Extra Well done to Phoebe W who got player of the game. These girls are a fantastic team and never fail to show their dedication to winning.

Our year 9 boys & girls put on a fantastic show down at the Spenborough Athletics Club this week for the Spenborough Athletics Competition. All students put on a five-star performance and did it with a smile on their faces. Well done guys, massive pat on the back!

### Huddersfield Giants Trip

Pledge 4 – Attend a live sporting fixture

: A group of 40 students attended the big local derby rugby league fixture between Huddersfield Giants and Leeds Rhinos on Friday 10<sup>th</sup> June. The majority of the students who attended the trip have represented school in rugby fixtures this academic year, whilst others have regularly attended rugby training sessions held by the PE department.

Links to British values/pledges: Pledge 4 – Attend a live sporting fixture

Special mention for Bobby who, unlike his peers on the trip who opted for fizzy pop and sweets, bought himself a hot pie and a cuppa tea! Yorkshire Lad!

This week our prefects were selected for next year along with our Head boy, Head Girl and Deputies. To be a member of the student leadership team and particularly on the prefect team is a prestigious honour. There is a rigorous application process for students to go through to be selected. All students are encouraged to apply and express why they should be given this opportunity. There is still an opportunity for students to show their commitment and join the student leadership team in the future.

On Wednesday, the Head boy and Girl and deputy application speeches were listened to by both staff and students. To make this a fair process there is a voting process. All the speeches were fantastic and the students presenting were exceptional.

After counting the votes, the Manorcroft Prefect team are:

<b>Head Girl</b>	Alisha J
